

**NREMT-I-03 COURSE  
VERMONT EMS DISTRICT 6  
2008  
STUDENT INFORMATION**

- 1) Course Coordinator & Lead Instructor: Mark Podgwaite NREMT-I PHTLS  
NECEMS I/C Phone 225.8344(H) 290.3016 (pager).
- 2) Course Medical Advisor: Dr Phil Brown
- 3) Classes will be held at The Northeast Regional Safety Academy Three Mile  
Bridge Road, Montpelier
- 4) **PREREQUISITES:** Student candidates must submit a completed application to  
the course I/C prior to 12 March, be able to read at a tenth grade level and hold a  
current certification of Vermont EMT Basic for at least one year\* . Additionally,  
candidates must show proof of passing the NREMT Basic Exam with a score of  
80% or higher. If candidate did not pass the NREMT Basic Exam with a score of  
80% or higher or cannot provide proof, candidate must take the District 6 Emt-I-  
03 Course Entrance Exam. This exam will be held at NERSA on Sunday 16  
March beginning at 1100. Minimum passing score is an 80.

Return completed applications to: Mark Podgwaite PO Box 331 Northfield VT  
05663.

- 5) **TUITION/FEES:** Course fee is \$500.00 out of district, \$450.00 transporting  
agency and \$400.00 FAST Squad per person. \$90.00 of the course fee is the text  
fee which must be paid at or before the first class and is non-refundable. The  
balance of tuition refunds, if any, will be issued until 30 April. If a student leaves  
the class after 30 April, the tuition is non-refundable. Course payment must be in  
by class #2. If the squad is paying for your course, a letter of intent signed by the  
head of the squad will suffice. Checks should be made out to: Vermont EMS  
District 6, and sent to: Susan Barnes PO Box 380, East Barre VT 05649.
- 6) Classes will be a combination of lecture, question and answer, as well as practical  
sessions. Student participation is expected. When applicable, practical skills will  
be demonstrated and practiced during the same session a new skill is taught.  
Quizzes and tests will be frequent and oftentimes unannounced.
- 7) **CLASS ROOM ENVIRONMENT:** Casual attire is acceptable. Please be aware of  
proper attire and footwear needs at practical sessions including outerwear.  
Practical labs may be held outside. If you have questions, please ask.

- 8) **ATTENDANCE:** Most classes starts at 7pm; please be on time. Prompt arrival and attendance is extremely important in this course. There will be zero tolerance for excessive absenteeism. Three unexcused absences may result in your dismissal from the course and disqualification to sit for the certification exam in July. Students with excused absences are expected to make up the class work through arrangement with the Course Coordinator.
  
- 9) Text Book: **Intermediate Emergency Care: Principles and Practice**
  
- 10) All students must be affiliated with an EMS provider.
  
- 11) Students must complete all clinical requirements prior to the exam date. Clinical requirements will be outlined at the first class. Additionally, students must select a proctor from their squad. The proctor must attend the District 6 Proctor Class on a date TBA.
  
- 12) Any complaints regarding this course should be made to the Course Coordinator for action.
  
- 13) Class cancellations will be made by 1600 (4:00) and will be announced by both Capital West and Barre City dispatch. Additionally you may call the District 6 Training Line at 485.4305.
  
- 14) You will need to join the District 6 I Class Yahoo Group. You will be emailed an invitation to join within one week of the start of the course you will need to have a Yahoo Account. If you do not have a Yahoo account, go to [www.yahoo.com](http://www.yahoo.com) to create one, just follow the steps outlined on the web page (it's free). Most lectures, information sheets etc will be posted under the file section. This works very well as these will be in color and much easier to read than hand-outs. Also, feel free to use the message section for class related communication.  
  
If you don't have internet access, let me know
  
- 15) Students must complete ICS 700 or show proof of the completion of this course.
